Jamie Thomson - Sport 4 More

I would like to take this opportunity to thank you for taking the time to complete and comment on the Sport 4 More questionnaire. It is important and humbling to know how Sport 4 More has been received by you and your children and some of the comments really are heart warming. As you know, I love my work but to know that our new "service" has had a large positive impact and is helping to achieve what we set out to achieve is very satisfying. Again, thank you for taking the time to speak with your child about what we have been doing and letting me know the outcome of these conversations as they help me understand what is being received and enjoyed, and it helps to demonstrate the desire of the school to make every lesson a positive learning experience for the children.

Flora Day

We hope you are all looking forward to Flora Day tomorrow! Please could we remind all Y2-Y6 children and parents to be on the infant playground for **no later than 9.00am**. The dance will be starting at 9.40am and all children must return back to school for collection. Let's hope the sun is shining!

Thank You

Thank you for your kind donations today for Woman v Cancer. We would like to wish Liane Gordon-Dunn good luck on her cycling journey from Vietnam to Cambodia in February 2017.

ParentPay / Trip Money

We are trying really hard to minimise the amount of cash/cheque payments in school. It is great to see that a lot of our parents are already signed up to our online payment system, ParentPay. If your account is not yet activated, please contact the school office and we will be able to give you your registration details.

Please could we ask that, if any money has to be bought in for residential / day trips, this is taken straight to the school office and not sent in via the classrooms. Where necessary, dinner money can still be given in as normal, in a named envelope, to the class teacher. Thank you.

Flora Day Competition

Due to a misuse of the website voting system for the best Flora Day Picture, we have unfortunately had to remove this option and consequently the only way to vote for your favourite will be by popping into 'Pictures and Things' gallery in Meneage Street.

Friends of Parc Eglos

This week's recycling winners were classes 1CS and 5SR. Sunbeams and 6KB weren't far behind! We are currently in second place in a competition to collect the most trigger-heads and lids, wipes packaging and air-freshener packaging, which will win us £200, or £250 if we come first! Please keep sending your recyclable items in, they are much appreciated!

We will soon be holding another Bingo Night so keep a look out for further information!

Weekly Attendance for W/C 02.05.16

Celebration of Work

On Wednesday a group of our Year 5 students took part in 'Beating the Bounds' in Helston. It is an ancient and much loved tradition in Helston Town to walk the town's boundary stones, a ceremony that came about to confirm the town's boundaries before the advent of maps. At the end of the ceremony, the children were presented with a special commemorative coin to acknowledge the Queen's 90th Birthday. The children did well, walking a distance of 5.5 miles!

Trevithick will be having a non uniform day on **Friday 13th May 2016** as they have won the most house points. Well done Trevithick!

Next week our school menu will be on **Blue** week
