'Learning today for the world of tomorrow'

Library Books

Please could you ensure that your child's library books are returned to the school within **14 days** of taking them home. Books are marked as overdue after this time and we are having to send out quite a few reminders. It is important to ensure we have books returned within their loan time so that children can change their books and have a wide variety to choose from. Children can bring in books and renew them if they wish. Thank you.

School Uniform

Please could parents ensure their children are being sent to school in the correct uniform. This includes black school shoes instead of trainers (except on your child's tracksuit day). We are currently working on keeping our school and pupils looking really smart and would appreciate your assistance with this. Thank you.

Cross Country

The next cross country race will be taking place on **Tuesday 1st November 2016 from 4.00pm** at Helston Community College. This includes children from Y1-Y6.

Cool Milk

Until the age of 5, children receive free milk at school. You may also opt to pay for your child to have milk at school once they have reached this age. If this is something you would like to sign up to, please visit www.coolmilk.com. Thank you.

Governor Vacancies

The Governors of Parc Eglos School are eager to recruit more members to support the school's development. This is an exciting opportunity for parents of current or former pupils, community members, former pupils (must be 18 or older) or other stakeholders to get involved in the school and to ensure Parc Eglos pupils get the best education possible. Although the school may be shifting to academy status, the role of local governors will still be important and they will continue to hold key responsibilities for ensuring the school maintains standards and offers good value for all our pupils. If you are interested please contact head@parc-eglos.cornwall.sch.uk.

London Marathon

One of our parents, Mrs Medlock, will be running the London Marathon next year to raise funds for the Cornish Heart Foundation Fund. Her daughter, Lucy, suffers from congenital heart disease and so this is a charity that is close to her heart. Please follow the link to donate, all donations will be much appreciated. Thank you. <http://uk.virginmoneygiving.com/fundraiser-web/fundraiser/showFundraiserProfilePage.action?userUrl=KIRSTYMEDLOCK1980>

We hope you have a lovely half term week and look forward to welcoming the children back to school on Monday 31st October 2016.

Friends of Parc Eglos

Thank you for your attendance at the Pumpkin Party yesterday. We hope you all enjoyed the activities and fireworks!

Each child should have received some Christmas raffle tickets today. There is a class competition to see who can sell the most of these with a prize of a £30 book voucher for the winning class to spend as they choose. All raffle tickets (sold or unsold) are to be returned to the office by **Tuesday 29th November 2016**. Thank you.

This week's recycling winners were classes 1CS and 4SC. Well done to these classes! The total collected this week was £31.71.

Year 2 - The Great Fire of London

On Tuesday 18th October the children in Year 2 took part in 'Parc Eglos does the Great Fire of London'. They all made Tudor houses out of cardboard boxes. The children carried them down to the junior playground where Mr Pennell was waiting for them. He put petrol on the houses and lit them. They were amazed by the size of the flames and the heat!

Mr Pennell then used fire extinguishers to put out the fire. What an amazing experience! Year 2 also had a special visitor on Wednesday - Samuel Pepys travelled back in time to visit us. It was incredible!

When we return to school after half term, our school menu will be on **Green** week
