Year 5 London Trip

A group of children from Year 5 that went to London have been talking about their experiences. Joe, Olivia, Michael and Adam thought that London was amazing!

Olivia thought that it was a really good experience for those of us from Cornwall who have never been to London before as the 'really small buildings there are like the really big buildings in Cornwall'. They thought the London Eye was fabulous and not at all scary if you didn't look up. It gave visitors a really good chance to see all the monuments at the same time. They also thought the 4D shows were cool. Joe said that 'Matilda was amazing, it was very funny how Mrs Trunchbull was a man, though it also annoyed me as a woman could have played the part, but the special effects were so fantastic. The theatre experience was incredible with amazing acting and we loved the music!'. They thought that Madame Tussauds was great too as you get to see all of your heroes and have your photos taken with them. Adam thought the London guided tour was really cool 'because you got to see all the monuments at first hand and the guide explained all the statues. We saw all the places where Harry Potter was filmed!' Michael was astounded that there were so many different palaces in London. 'I can't believe that the queen has five different palaces in the U.K'.

They also loved learning about the historical characters. Joe commented that 'Charles I had so much power and he ignored Parliament so they fought against him and chopped his head off. King John was a soft sword, not like his brother, Richard the Lionheart!' Olivia said watching MPs in The Houses of Parliament was amazing because you actually got to see people debating and it was being recorded live on TV. As Adam commented 'It looked really important because there was so much security - we had to be scanned and were given a special pass'. Joe said he liked being a history detective as 'we were given lots of clues and we had to decide when this happened in history'. At the Natural History Museum, they saw a moving T Rex which Adam thought looked so realistic because it was made out of papier-mâché and had some great sound effects. The children as a whole loved this trip and we are eagerly awaiting the chance to read their diaries next week!

Friends of Parc Eglos

This weeks recycling winners were classes 1CS and 4SC. The total collected was £68.21. Well done!

If you are recycling pens, glue sticks or food and drink pouches, please ensure these are sent in with their lids as they are of a greater value with these included.

We came 6th in a nationwide biscuit wrapper competition and won £20. We are currently in first place in an 'Air and Home Care' competition (trigger heads, plastic lids etc) which ends on 15th March. First prize is £200 so please keep sending these in! Thank you.

Next week our school menu will be on **Green** week
