*'Learning today for the world of tomorrow'*

## **Welcome Back!**

It was lovely to welcome the children back to school this week. They have been so positive about their new classes and there has been some high quality learning already taking place. There is a real learning buzz about the school already and that is such a positive sign! The children have been learning about Virtues: the Gift of Character so I expect they will talk to you about what virtues they have and what virtues they would like to use more often and would like to develop further.

## **Congratulations**

We would like to offer our warmest congratulations to Mrs Sarah Goldsworthy on the news that she is expecting her second child in late January 2018. We are delighted for Sarah and wish her the best of luck for the months ahead. We will be looking in detail at the staffing arrangements for January and, with Mrs Lawlor also expecting a baby just before Christmas, we will keep you informed of our plans once we have a clear picture of the way ahead in both the Wise Owls and the Ladybird Learners' classes.

## **Music Lessons**

CMST Music Lessons will be commencing during the week beginning 11th September 2017. 

## **Tempest Photographs**

Tempest Photography will be in school on Thursday 21st September 2017 to take individual photographs. We will have a limited number of sibling photo slots available before and after school. If you would like to book a sibling photo please contact the school office. Slots will be allocated on a first come, first served basis. Thank you.

## **Medical Records**

Please could you ensure that we have up to date medical information for your child. If they have medication held in the classroom (e.g. inhalers) please can you complete an administering medication form for this year's class. Many thanks.

## **ParentPay**

Year 3 children are no longer eligible for Universal Infant Free School Meals (UIFSM). As a result of this, school meals will be charged at £2.20 per meal. This is payable on our online payment system, ParentPay. Please contact the school office if you need assistance logging into your account. Thank you.

## **School Menu**

There have been no changes to our school menu since the end of last term. A copy of our menu can be found on our school website.

## **Polite Reminder**

Please could all parents ensure that children are sent to school with a waterproof coat. Pupils should also bring a water bottle to keep in the classroom. These are available from the school office for just £1.30!
