Train to Teach Event - The Learning Institute South West

Are you thinking about training to become a teacher? Are you interested in working with children or young people and want to understand more about teaching and learning or mental health?

The Learning Institute are holding an information session on **Monday 9th October 2017** where you can find out about the different routes into teaching, what qualifications you need, how to finance your teacher training and about the application process. They will aim to give you a personalised advice opportunity to help you reach your next steps decision.

If you don't have a degree yet, they can help too! Their degrees allow you to study close to home, so you can fit university time in with your family and commitments. For more information or to book a place, please email itt@learninginstitute.co.uk.
