Emergency School Closure

As we move into the winter months with more rain or even snow, please can you ensure that your child brings a coat to school each day. We do want the children to play outside, unless the weather is really bad, because it is so important to give them as much fresh air as possible during playtimes as this greatly helps their learning. If the school does have to be closed due to bad weather, we will put a message on our school website and inform local radio stations. We will only close the school in extreme circumstances e.g. if we cannot guarantee that sufficient teachers can travel to school because of dangerous wintry conditions.

Next week, our school menu will be on **Red** week
